

Kristie Schultz, Ph.D.

Child & Adolescent Interest Section
Term Expires: 12/31/2021

Dr. Kristie Vail Schultz is a Licensed Psychologist with specialty training in Child Clinical and Pediatric Psychology. She is employed by Norton Children's Behavioral & Mental Health, where she provides outpatient services to youth; she also provides inpatient consultation at Norton Children's Hospital. She is an Assistant Professor at the University of Louisville School of Medicine in the Division of Child and Adolescent Psychiatry and Psychology, where she is the Director of Training for the Pre-Doctoral Child Clinical and Pediatric Psychology Internship Program. Dr. Schultz earned her bachelors' degrees from Tulane University and her master's and doctoral degrees in Clinical Psychology from the University of Mississippi. She completed her pre-doctoral internship in Child Clinical and Pediatric Psychology and her post-doctoral fellowship in Pediatric Psychology at the University of Louisville School of Medicine. Dr. Schultz's areas of clinical interest include adolescent mental health and chronic illness coping in youth.
