

## **Margaret Seargent, Ph.D.**

Western-Central Region Representative

Term Expires: 12/31/2023

I am in private practice in Owensboro, Kentucky and am owner of Behavior Associates LLC. We provide therapy and behavior services primarily to individuals with intellectual and developmental disabilities and well as assessment and Applied Behavior Analysis services for children with Autism Spectrum Disorder. I am an adjunct professor at Brescia University in their masters program in clinical psychology. I have been involved with the Kentucky Psychological Association since graduate school and served in leadership roles on the Early Career Psychology Committee and as the Western-Central Kentucky Representative. My current community service area includes serving on the board of Girls Inc. of Owensboro/Daviess County.
