

Sunnye Mayes, Ph.D ABPp

Secretary

Term Expires: 12/31/2023

Sunnye Mayes, PhD, ABPP is an Associate Professor of Pediatrics at the University of Louisville School of Medicine/Norton Children's Hospital. She is a pediatric psychologist and serves as the Director of Psychosocial Services for the Division of Pediatric Hematology/Oncology and the Director of Research for the Division of Child and Adolescent Psychiatry and Psychology. She completed her undergraduate work at the University of Oklahoma, graduate training in clinical child psychology at the University of Kansas, clinical internship at the Munroe-Meyer Institute at the University of Nebraska Medical Center, and post-doctoral fellowship in pediatric psychology at the University of Oklahoma Health Sciences Center (OUHSC). Dr. Mayes was a faculty member at OUHSC from 2007-2019. Clinical and research interests primarily involve working with the families of children, adolescents, and young adults with pediatric cancer and blood disorders.
