

Are you a licensed psychologist in Southern Indiana who accepts all insurance? Ready to move your practice to our campus and make a real difference? [Community Montessori](#), a vibrant public charter school in New Albany serving nearly 600 children and adolescents, is looking for the right partner to support the mental wellness of our learners. Additionally, CM will offer scholarship funds to some uninsured learners and clients.

We're offering space in The Courage Cabin, our newly renovated [on-campus therapy space](#), completely free of charge, where young people can conveniently meet with you during the school day.

This is your chance to:

- Expand your client base with consistent referrals
- Enjoy a supportive, learner-centered environment
- Help children thrive while improving your own work/life balance

Don't miss this opportunity to elevate your practice and serve a community in need. Let's work together to build a healthier future starting today!
